

## **“Depresie” by Arsenium**

<https://www.versuri.online/arsenium-depresie.html>

Iar ma inec in tacerea ta

Si tu nu spui niciun cuvnt

M-ai aruncat departe

Strain, in Moldova mea

Nici noptile nu sunt la fel

Nici vinul nu mai are gust

Si parca ma enerveaza toate

Cum sa fac sa scap de realitate

Fara tine nu mai am somn

Nu mai are sens sa dorm

Si-nc-o zi si inca o noapte

Trec

Iubito nu stii cum simt cand tu nu esti

Iubito nu stii ce faci si cat ma ranesti

Iubito n-ai inteles, oricum e prea tarziu

Iubito nu stii cum e sa ai depresie

Depresie, depresie, depresie..

Cu mine te iau, te port in aeroport

Iau zborul spre nori cu noi in gand

Dar incerc sa ma rup versuri.online

Ca vreau sa ma duc cat mai departe de tot

Si ma desprind, nu ma-ntorc

Trec prin apa si foc (trec prin apa si foc)

Trag aer in piept, ma sufoc

Inima vrea dar mintea deloc

Fara tine nu mai am somn

Nu mai are sens sa dorm

Si-nc-o zi si inca o noapte

Trec

Iubito nu stii cum simt cand tu nu esti

Iubito nu stii ce faci si cat ma ranesti

Iubito n-ai inteles, oricum e prea tarziu

Iubito nu stii cum e sa ai depresie

Depresie, depresie, depresie...

## **Arsenium - Depression**

And I'm drowning in your silence

And you do not say a word

You threw me away

Alien in my Moldova

Nights are not the same

Neither wine tastes

And it seems to be annoying me all

How to Get Rid of Reality

Without you I can not sleep anymore

It makes no sense to sleep

And one day and one more night

I pass

Baby you do not know how I feel when you are not

Baby you do not know what you do and how you hurt me

Sweetheart you did not understand, anyway, it's too late

Baby you do not know how it is to have depression

Depression, depression, depression ..

With you, I'll take you to the airport

I take the flight to the clouds with us thinking

But I try to break my lyrics

That I want to go as far as possible

And I get away, I'm not coming back

I pass through water and fire (pass through water and fire)

I'm blowing my chest, choking me

The heart wants the mind at all

Without you I can not sleep anymore

It makes no sense to sleep

And one day and one more night

I pass

Baby you do not know how I feel when you are not

Baby you do not know what you do and how you hurt me

Sweetheart you did not understand, anyway, it's too late

Baby you do not know how it is to have depression

Depression, depression, depression ...
